

## ***Jurassic World: The Movie Exhibition has landed in Shanghai, Tickets pre-sale started***

Tickets are now on sale for *Jurassic World: The Movie Exhibition* opening in Shanghai on August 1<sup>st</sup>. The announcement was made today at the press conference held at the River Mall, Shanghai, China.

Shanghai marks the third city in China in which Wanda Pictures, in partnership with Cityneon, a global experience entertainment company, brought to life the *Jurassic World: The Movie Exhibition* in China.

Produced in conjunction with Universal Live Entertainment, a division of Universal Parks & Resorts, *Jurassic World: The Movie Exhibition* is a unique immersive experience based on one of the largest blockbusters in cinema history, and will officially open on August 1<sup>st</sup> to the public on the West Side of The River Mall, No. 997, Xueye 2<sup>nd</sup> Road, Pudong New District, Shanghai, China. The early bird ticket pre-sale is from July 8<sup>th</sup> to July 31<sup>st</sup>, 2021.

This stunning experience, at approximately 2,700 square meters, immerses audiences of all ages in settings inspired by the blockbuster *Jurassic World* film franchise, from Universal Pictures and Amblin Entertainment, blending real-world science and education with the very best in high-quality entertainment.

Visitors can walk through the world-famous Jurassic World gates and explore amazing interactive displays. Fans will come face-to-face with a Velociraptor, stand under a towering Brachiosaurus, be in awe as they stand next to a life-sized Ankylosaurus, and then encounter the most fearsome of them all, the mighty Tyrannosaurus rex fighting with a Carnotaurus.

The *Jurassic Park* and *Jurassic World* franchises have been entertaining audiences around the world with thrilling and awe-inspiring stories and characters for more than 25 years – from film to video games and toys to rides at Universal theme parks. In fact, Universal Beijing Resort is scheduled to open this year as Universal's newest theme park destination and will feature seven highly themed and immersive lands – including Jurassic World Isla Nublar. Guests of all ages will be able to explore Jurassic World Isla Nublar, an island of wonder and thrills where dinosaurs roam the Earth again. Universal Beijing Resort has taken the essence of this legendary film franchise and created a larger-than-life experience complete with attractions and adventures that have never been seen before. Guests will feel the power of the Tyrannosaurus rex, Velociraptors, and the fearsome Indominus rex at Jurassic World Isla Nublar.

In strict accordance to the prevention efforts for COVID-19, the operation and management teams have worked diligently on a plan to ensure a safe consumer experience. The new health, safety and hygiene procedures will cover each step of a guest's visit, including how they arrive, how they interact with other guests and how they experience the exhibition.

New procedures at *Jurassic World: The Movie Exhibition* will cover three areas: screening, spacing and sanitization. Key measures will include:

- Guests and team members are required to wear face coverings and observe social-distancing guidelines at all times while at *Jurassic World: The Movie Exhibition*.
- Guests and team members are required to have temperature checks upon arriving on-site; those with

temperatures of 37.3°C or greater will not be allowed to enter.

- Increased cleaning and disinfection of restrooms and other frequent “touch points”
