MARVEL AVENGERS S.T.A.T.I.O.N. made its debut in New York in July 2014, and has showcased the Avengers worldwide in 24 cities (12 countries) including Paris, London and Las Vegas. It is the show where guests will experience the Marvel Cinematic Universe in a journey through this high-energized facility. Here they can explore their favorite characters and villains, discover the intelligence, technology and cutting-edge science of the Avengers and experience interactive challenges and simulations. In addition, guests will get an up-close look at original costumes, props and film footage straight from the big screen. As Tokyo will be the 25th city to host this event, along with Kyoto, the show will be an expanded version, which will include elements from Phase 4 of the Marvel Cinematic Universe, and will feature costumes and props from some of Marvel Studios' latest releases!
