Fans of the "Harry Potter" and "Fantastic Beasts" series, rejoice.

Harry Potter: Visions of Magic, an interactive art experience, is set to premiere at Resorts World Sentosa in the fourth quarter of 2024.

According to a press release, this will be the largest-ever engagement of Harry Potter: Visions of Magic.

The installation explores the fictional wizarding world across an over-40,000 square foot venue.

There are a number of immersive environments inspired by the famed movie and book series, including:

- The Room of Requirement
- Newt's Menagerie
- The Ministry of Magic

The experience will include responsive video content, bold architecture and original soundscapes among multi-sensory installations.

Here's a peek at the experience:
